THEME PARTIES

Catering by Ellyn prides itself in having the ability to make your dreams, thoughts and ideas come to life.

Our Special Events Coordinator will listen to your thoughts, will ask the right questions and will work within your budget to create the best theme party you could ever imagine regardless of the size.

Catering by Ellyn realizes that there is more to a successful party than just great food. The linens, the props, decorations, centerpieces, music and even the venue all are part of making your party the talk of the town.

Catering by Ellyn's Special Events Coordinator will gladly work with or recommend musicians, florists, photographers, rental companies or any other services that your event might require.
